ANIMALS – Monday, December 1

Have you ever wondered what a poult or a cygnet was? Then you don't want to miss tonight's program. We start by reading about extinct animals, then use our imagination to create playdoh animals. What will you make?

WILD ABOUT BIRDS – Monday, December 8

Beavers learn about the fascinating world of birds through bird songs, a short video and examination of an ostrich egg and Canada Geese feathers. We end the night with a visit from two very special guests (racing pigeons).

RUDOLPH AND FROSTY AND SANTA, OH MY! – Monday, December 15

In preparation for our Seniors' visit, we will be making Christmas tree ornaments and singing carols. To show they can "help take care of the world", Beavers will decorate cupcakes and "sell" them to Mom and Dad for pocket change. All pocket change and dues collected this evening will be donated to Sleeping Children Around the World – a Canadian charity founded by the Dryden Family. 100% of our donation will purchase a bedkit for a needy child. A bedkit consists of a mat or mattress, pillow, sheet, blanket, mosquito net (if applicable), clothes outfit, towel and school supplies. Each bedkit costs \$35.00. Our goal is to collect enough money to buy 2 bedkits.

TREE TRIMMING AND CAROLS with the Seniors – Monday, December 22

With our decorations from last week, Beavers spread some holiday cheer at The Court at Brooklin (located at the corner of Anderson (#5909) and Winchester). Parents are welcome to stay.

NOTE: Start time is **6:45PM** and lasts about an hour.
