

2nd Brooklin Beavers
Outer Space Beaverie & Camp
 Saturday, May 29th to Sunday, May 30th, 2010

Greetings Astronauts in Training!

Captain Rain Drop and her crew invite you to Planet Samac for an intergalactic camping adventure. No experience necessary!!! You'll be landing at 9:15am on Saturday May 29th and we hope to head home around 11:00am on Sunday, May 30th.

Your interstellar training begins with the Outer Space Beaverie. The Beaverie consists of 10 round robin space themed events, a hot dog lunch, crest and magic show. (We will be unpacking our gear after Beaverie.) We have booked Cabin 1 the "Rolls Royce of Cabins" at Camp Samac. Cabin 1 is heated and has a kitchen, washroom facilities and 2 separate sleeping areas with bunk beds. This is the first building to the left (east) of Council Hall.

If you and your Beaver wish to attend, please complete the interest form and pay the non-refundable beaverie &/or camp fee by Monday, April 19th.

Currently we have spots available for the first 28 participants that sign up. All others will go on a waiting list. Each Beaver must be accompanied by a parent.

If you have any questions, please call either Commander Ringtail (905-425-2665) or myself (905-655-0763).

Commander Ringtail (Ian Hakes) & Captain Rain Drop (Melissa Meisinger)

----- ✂ -----
Outer Space Beaverie & Camp Interest Form - due Monday, April 19th, 2010.

_____ (beaver) and _____ (parent) will be attending the Outer Space Beaverie and/or Outer Space Camp.

- Outer Space Camp & Beaverie: \$35 (includes beaver and parent)
- Outer Space Beaverie only: \$8.00 per beaver and \$5.00 parent/leader. We need at least 3 parents to stay!
- I can volunteer to help in the kitchen. This may involve attending one planning meeting prior to camp.

Please make cheques payable to: Scouts Canada - 2nd Brooklin
