

2nd Brooklin Wolf Cubs

KUB KAR RACES 2010

Our Pack Run-Off will be scheduled on one of our meeting nights:

- Monday, February 1st,
- Monday, February 8th or,
- Monday, February 22nd

We will meet at the official Whitby Track at the Iroquois Park Recreation Centre.

Registration will begin sharply at the designated time. (TBD) All Cubs, siblings and Parents are welcome to join us there.

Nine winners from the run-offs will move on to the Area finals, at the same place ... date to be announced. (Most likely, it will be on the 3rd or 4th Saturday in February.)

Please review Whitby District's official rules that are attached to this notice. Your car number will be assigned to you in January.

KARS not meeting the Pine Derby specifications *will be disqualified*. Please check the instructions to avoid disappointment.

If you google "KUB KARS" you will find lots of ideas and tips. We will bring in car samples from past run-offs, one night in January. In addition, Baloo is trying to arrange an evening at a woodworking shop for those of us without tools to work on the Kars....more information to come.

We will hold a "weigh in" night on January 25th so that we can check that the completed Kars don't violate the Whitby rules. Parents are asked to join us for the evening (with your tool kit) to help bring the Kars up or down to weight.

We are collecting a non-refundable registration fee of **\$5.00 per child**. Through our collective fund raising efforts, Group Committee has subsidized the balance of the cost of our participation in Kub Kars. Please bring it to the meeting on January 4th as we have already paid the entire amount for each cub.

If you have any questions, please call me at 905-655-1688.
