

2nd Brooklin Wolfcub Pack

Clothing & Toy Drive

March 22nd to May 3rd

The 2nd Brooklin Cubs have accepted the challenge to participate in a Clothing & Toy Drive for the Woman's shelter at Denise House in Oshawa to complete another requirement for their Purple Star.

To accomplish this, they will need your help. Working together with your cub, ask your neighbors, friends and relatives to donate any gently used clean clothing and toys. Or, any new clothing or toys that people do not want and would have possibly re-gifted anyway. What we do not want is for you, the parents, to go out and purchase anything....only if you want to.

Attached is a letter that can be handed out to family, friends and neighbours or placed into their mailboxes.

All items collected should be brought in to the meeting on May 3rd at the Gym. From there, we will box/bag everything to be delivered to Denise House.

I will require lots of help to accomplish this last part. I am looking for 2 parent volunteers to help coordinate/collect and deliver this. Please call me if you can help.

If you have any questions, please call me at 905-655-1688. Thank you for your support.

Akela

Dear Sir/Madam:

Our Wolf Cub Pack is putting together a Clothing and Toy Drive for Denise House in Oshawa as part of completing another requirement of our Purple Star work. (We need to participate in 5 community service type activities in order to earn our star.)

Denise House is happy to accept gently used clean clothing and toys as well as brand new stuff. Anything that you are thinking of re-gifting would work. They are also accepting Household items.

We will be returning on _____ to collect your contributions. Please leave your bagged donations on the porch tagged with this flyer so we do not trouble you again.

Thank you for your support. Please help us make this event even bigger than 2nd Brooklin Scouting

Yours in Scouting,

Cub name
