

2nd Brooklin Wolf Cub Pack

Scoutrees 2010

Saturday, May 1st , 2010

It is the Annual Scoutrees event in Canada where all the scouting members go out and help plant trees. In Whitby, Saturday, May 1st , has been designated Scoutrees day.

The Town of Whitby has long been a great supporter of Scouts & Scoutrees. In the past, they have purchased all the trees that we will be planting, arranged their delivery, supplied the wood chips & mulch and water plus provided us with staff to assist on the planting day.

I encourage all of you to do your best in this Scout Fundraiser. The entire amount collected is to be handed into Whitby area no later than May 18th. 15% goes to the world brotherhood fund, the costs of the crests are removed and the remainder is sent back to our group. Event badges are issued by the number of envelopes returned, so please return the empty ones as well.

Tax receipts will be only be issued if indicated on the pledge form and only for amounts of \$20 or more.

***** This is one of the Purple Star requirements that we are doing. *****

All registered participants will receive a crest for their campfire blanket. Please invite your family, friends and neighbours to join us.

The selected site and necessary tools to bring, will be broadcast soon in another email/message.
