

2nd Brooklin Wolfcub Pack

Pasta & Sauce Challenge

February 1st to March 1st

The cubs of 2nd Brooklin have selected to put together a Food Drive in order to complete one of the requirements for their Purple Star.

They have chosen "Pasta & Sauce" as their theme and have accepted the challenge of **each collecting 10 bags of Pasta and 10 cans/jars of sauce.** Should they succeed, this would mean 300 bags of pasta and 300 jars/cans of sauce.

To accomplish this, they will need your help. Working together with them, ask your neighbors, friends and relatives to donate 1 bag of Pasta or 1 jar of sauce. Look for the sales in the food flyers and mention when pasta is \$1 per bag or sauce is on for \$0.99 a can/jar. (Last week, your cub was assigned to make a poster for this Food Drive. They now will have a poster for their classroom or school.) What we **do not want** is for you, the parents, to go out and purchase this....only if you want to supply 1 bag or jar.

Attached is a letter that can be brought into school and given to their teacher or school principal asking for their support.

All items collected should be brought in to the meeting on March 1st at the Gym. From there, we will box/bag everything to be delivered to the local Food Bank.

I will require lots of help to accomplish this last part. I am looking for 2 parent volunteers to help coordinate/collect and deliver this. Please call me if you can help.

Who knows.....if we can get the schools involved.....we can make this even bigger than just 2nd Brooklin cubs. I would love to see a mountain of pasta and sauce on March 1st and need 5 vans to move it.

If you have any questions, please call me at 905-655-1688. Thank you for your support.

Akela

Dear Sir/Madam:

Our Wolf Cub Pack is putting together a Food Drive as part of achieving a requirement of our Purple Star work. (After the holidays, the food banks are generally low and the needs are great.) We have decided to make it a "Pasta & Sauce" Challenge. Each one of us has committed to source and collect 10 bags of Pasta and 10 cans/jars of sauce to go with the Pasta.

I/we are here asking for your permission and support to carry out this challenge. Our event will run for 3 weeks ending on Monday, March 1st, 2010.

May we have permission to place one or two posters around the school and a safe and central spot to collect any Food donations during this time period?

If you have any questions, please call our Akela (Lindy Jay-Tung) during the day at 416-955-8035.

Thank you for your support. Please help us make this event even bigger than
